

# I'd Like to Give You \$143.40 Over the Next 12 Months

## *...And Help You Fight the Dangerous Effects of "Hidden Constipation Syndrome"*

Dear Valued Customer,

Thank you...and *congratulations*.

I'm writing this letter to thank you for your order of **Colotox** — the purest way to detoxify and cleanse your entire system...and restore regular, healthy bowel movements.

As you're about to learn first-hand...once you start regularly using **Colotox**, you'll begin to feel lighter, thinner, healthier, relieved and just plain happier within just a few days.

**You'll feel your body *thanking you for eliminating the toxins and finally "letting go of the gunk!"***

Simply put — your decision to include **Colotox** as part of your daily wellness program was a wise one.

**And now I'd like to invite you to make an *even smarter decision right now...***

Here's what I mean:

It's important to me that everyone who tries **Colotox** has the opportunity to realize all of the long-lasting benefits of internal cleansing for many years to come.

But remember — only **Colotox** works like magic to...

- ✓ ***Cleanse and purify your colon***, freeing your body from dangerous toxic buildup
- ✓ Remove heavy metals — including lead and mercury — to ***lighten the load on your kidneys, liver and other elimination organs***
- ✓ ***Kill off parasites*** and stop them from breeding inside your colon

And restore normal bowel function — and ***promote regular bowel movements daily*** — without straining, hemorrhoids or anal fissures.

When you begin realizing these important detoxifying benefits — and begin feeling healthier

and “cleaner” each day — you’ll never again want to subject your internal organs to the dangers of a “toxic” colon filled with hardened fecal matter.

So that’s why I’ve made certain that you’re given the opportunity to never be without **Colotox** again — while at the same time receiving the lowest rate EVER offered... **a price only available if you respond to *this letter*.**

## **Why I’m Willing to Give You \$143.40 Over the Next 12 Months**

I realize I may be preaching to the choir here, but...**Colotox** is the purest — and most effective — herbal cleansing product available anywhere.

**Colotox** will help to rid your body of all that excess buildup in your digestive track and prevent future buildup from occurring.

More importantly, **Colotox** not only helps keep you clean, but it also helps to keep all your waste matter moving freely, efficiently, and rapidly out of your body. It breaks down and removes as much as 10-12 pounds of toxic fecal matter which may have been stuck in the folds and wrinkles of your digestive system for years and years.

***In fact, I feel the benefits of internal cleansing are so important, I’ve arranged to make Colotox available to you at our lowest rate ever...and with FREE shipping thrown in for good measure.***
