Prostate Health Complex

Two Unique Phytonutrients Provide Extra Potent Nourishment for Healthy Prostate

- ➔ Support proper prostate function*
- ➔ Promote proper urinary function*
- ➔ Enhance sexual performance*

Recommended for any man over the age of 40, this premium supplement is more than just saw palmetto! It contains all the vital ingredients you need to protect your prostate health...plus two breakthrough phytonutrients: lycopene, the secret ingredient in tomatoes, and soy isoflavone. In fact, a recent study at Harvard Medical School detected a lower prostate risk associated with increased consumption of the lycopene in tomatoes. Now you can protect and enhance your prostate function naturally by supplying your body with the powerful nutrients it needs to nourish the health of your prostate.*

PROSTATE HEALTH's daily dosage provides:

Zinc	10 mg
Pumpkin Seed Concentrate	80 mg
Saw Palmetto Berry	320 mg
Vitamin E	200 IU
Nettle 4:1 Extract	300 mg
Lycopene	7 mg
Soybean Isoflavone Concentrate	100 mg
Beta-Sitosterol	120 mg

Supercharge Your Body's Immune System

- ➔ Guard against colds and flu—by attacking invading pathogens
- ➔ Supply your body with the same immune-regulating compounds found in mother's milk
- ➔ Regulate the amount of iron in your bloodstream—and helps starve harmful viruses

This one-of-a-kind formula—extracted from the highest quality sources—contains lactoferrin, the natural immune-boosting ingredient found in mother's milk. Newborns don't catch colds (or get more serious diseases)... because of the protection found in lactoferrin. Protect yourself against viruses, parasites, and other threats by harnessing lactoferrin's immune boosting power. In addition, it's a potent anti-fungal and a powerful anti-inflammatory to ease pain and increase mobility.*

Wipe Out The Silent Killer Lurking In Your Arteries

- ➔ Prevent homocysteine from ravaging your arteries*
- ➔ Maintain healthy arteries and strong circulation*

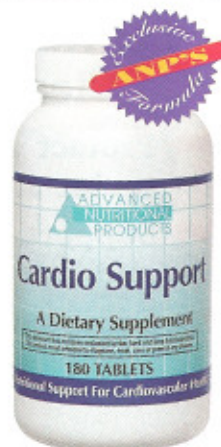

Few know it, but cholesterol is NOT the villain when it comes to heart disease. The real villain — which leads to heart trouble even for those who have LOW cholesterol — is an amino acid called homocysteine. This normal by-product of protein breakdown becomes a “silent killer” by causing microscopic tears in your arteries where blood cholesterol forms clot-producing plaque. Left unchecked, homocysteine circulates freely throughout your blood vessels, wreaking havoc in your arteries. When tears are formed in the arteries that feed your heart, the result can be coronary disease, heart attack, or worse. Cardio Support's® special formula helps break down and eliminate homocysteine. For a double dose of protection, use Cardio Support® to support normal homocysteine and Poli Cholest® to improve your cholesterol health.

CARDIO SUPPORT's daily dosage provides:

Folic Acid.....	1600 mcg
Vitamin B12.....	1000 mcg
Vitamin B6.....	50 mg
Pyridoxal.....	10 mg
Trimethylglycine.....	500 mg

“For more than 20 years I’ve suffered from angina and heart pain. The medication they give me hasn’t helped. It wasn’t until I started taking **CardioSupport** that I began to feel better. My heart pain has disappeared and I haven’t had to change my lifestyle or diet!”

Tame Cholesterol Twice As Well As Before!

- ➔ Cuts LDL (bad) cholesterol by up to 25%*
- ➔ Raises HDL (good) cholesterol even when a low fat diet fails*
- ➔ Has no dangerous side effects but plenty of life-giving benefits*

If your doctor has told you your blood cholesterol levels are too high (especially the LDL “bad cholesterol” or the important LDL/HDL ratio) and has said you have to go on a restricted diet or — worse — will have to take prescription medication — ANP's newest product Poli-Cholest® may be for you. You see, Poli Cholest® contains policosanol, an all-natural dietary supplement derived from plant waxes that supports and enhances cholesterol metabolism.*

POLICHOLEST's daily 2 tablet dosage provides:

“**Poli-Cholest**, Pharmaceutical Grade Policosanol is lab certified to contain the same high grade of Policosanol that scientists used in breakthrough studies. Other formulations may be diluted to as little as 60% strength or less, meaning you'd have to guess about dosages. That's why **Poli-Cholest** is the only formulation I recommend to my own patients at the MagazinerCenter”

DHA Fish Oil Concentrate®

Feed Your Brain and Heart the Fats That Are Good for Them

- ➔ Safeguard your brain cells naturally*
- ➔ Improve your memory, attention span, and mental acuity*
- ➔ Support proper cholesterol levels and maintain cardiac health*

Would you like an increased attention span...better mental alertness...and better memory? You can have these things...and the answer may be as simple as providing your brain with the fuel it needs. The essential fatty acids DHA and EPA help maintain permeability of brain membranes. This improves their flexibility in sending and receiving messages...and allows you to improve your mental performance. A recent Japanese study showed a 65% improvement in symptoms of dementia with DHA. And if you know a young person who's diagnosed with ADD, low levels of DHA might be the cause. Plus...doctors in Europe recommend DHA to support and maintain proper cholesterol levels and heart health.

DHA FISH OIL's daily dosage provides:

Docosahexaenoic Acid (DHA).....	300 mg
Eicosapentenoic Acid (EPA).....	25 mg
Vitamin E.....	5 IU

"I always considered myself to have a good memory and stay focused on my work. Shortly after retiring however, I began to notice that I had trouble remembering simple things. I also seemed to be more "spacey" and had difficulty keeping on track with projects. I began taking two softgels of **DHA** daily, one in the morning, the other before bedtime. After only two weeks taking **DHA**, I felt like my old self. My memory is back and I'm as productive as ever! Thanks!"
